RE: Small Business Emergency Assistance Grant Program

Dear Applicant:

Thank you for your appeal. Please find below the NJEDA's decision.

We received your appeal from the denial of your application for the Small Business Emergency Assistance Grant Program, created by board memorandum dated March 26, 2019.

As the Hearing Officer, my job was to review your appeal and decide whether there was a valid reason to deny your application or whether there is a reason to reverse that decision. As part of my review of your grant application and appeal, I have read your appeal email dated May 11, 2020 and reviewed the information from your application. Based upon my review, I have decided that:

- Your appeal should be granted because you may be eligible for a grant under the Small Business Emergency Assistance Grant Program. A cross-reference of your corrected FEIN will be processed with the Department of Labor and Workforce Development as well as the Department of Treasury, Division of Taxation. You will receive an email with additional instructions on how to proceed within the next 5-7 days.
- Your application was properly denied; you are not eligible for a grant under the Small Business Emergency Assistance Grant Program because you did not file an Employer Report of Wages (WR-30) with the NJ Department of Labor and Workforce Development for the 4th Quarter of 2019.

This decision, approved by the undersigned Director of Legal Affairs, constitutes the Final Administrative Decision of the Authority.

Please note that your business may be eligible for other financial assistance. You can access the online "Eligibility Wizard" at <https://assistance.business.nj.gov/>.

We received your appeal from the denial of your application for the Small Business Emergency Assistance Grant Program, created by board memorandum dated March 26, 2019.
